

WHERE DOES THE MONEY GO?

Where does the money go when you list your property with a Keller Williams Realty Atlantic Partners Agent?

Answer- It Goes to get your home sold & this is how it works.

1. Starting at the top, 6% is the total fee when you list your property with Keller Williams Realty Atlantic Partners.
2. When your property sells (and only when it sells) 3% of that 6% goes to Keller Williams Realty Atlantic Partners (Seller's representation) and the other 3% goes to the Cooperating Brokerage (Buyer's representation)
3. Next the each broker splits the 3% between themselves and their representing agent.
4. Finally, each party pays their expenses & makes a profit.
